PSG College of Technology

2026

TEDx PSGTech

PSG College of Technology

PSG College of Technology is one of the foremost educational institutions established in 1951 with a mission to provide world-class engineering education. Since 2015, PSG College of Technology has been hosting TEDxPSGTech, created in the spirit of Technology, Entertainment, Design (TED) with an overall mission to research and discover "ideas worth spreading" to local communities.

TEDx

A TEDx event is a local gathering where live TED-like talks and performances are shared with the community. The content and design of each event is unique, carefully prepared talks, demonstrations and performances that are idea-focused and cover a wide range of subjects to foster learning, inspiration and wonder –and provoke conversations that matter.

Our Milestones

- "Spirit of India" (2015)
- "Melange" (2016)
- "Where All Spheres Converge" (2018)
- "When Life Gives You Lemons" (2021)
- "Why Not" (2022)
- "Adayalam– Identity Unveiled" (2023)
- Mistakes as Masterpieces (2025)

TEDxPSGTech 2026

PSG College of Technology is hosting its ninth edition of TEDxPSGTech on 27 March 2026, on the theme "GenZ to Gen Alpha Leadership: Ideas Today, Leaders Tomorrow". The theme highlights youth-driven change, digital-era leadership, adaptability, and the evolving definition of influence and impact.
